

"Notes with Dad on How to Rig the U.S. Election"

- Democratic Party

1. Launch a wide scale global pandemic, induce panic and fear, and get rich by manufacturing a vaccine.
2. Use mainstream media to attack Donald Trump every day until the American people believe it.
3. Lie about helping ethnic groups/people in poverty and then do nothing once elected (sell the dream).
4. Utilize mail-in ballots and unsupervised ballot drop-offs where anyone can submit a vote.
5. Sell secrets to foreign nationalists and make deals (sell the country down the drain).
6. Cause racial divide.
7. Promote far-left groups and trans activists.
8. Use vaccine mandates to clear out the military and police of those who won't conform to the agenda.
9. Do not release Epstein's list.
10. Use censorship to promote our agenda on Facebook, Twitter, and the news.
11. Use bot accounts on social media to propagate the narrative.
12. Send flowers to Xi Jinping.
13. . Start as many wars as possible.
14. Make deals with Zelenskyy to launder money.
15. Promote the 8th Covid-19 booster.
16. Pretend to hold rallies during campaigning so we don't look suspicious when winning.
17. Promote everyone based on the 1st, not qualified to do the jobs for positions in the White House.
18. Eat ice cream.
